

FUJAIRAH AVIATION ACADEMY

CAPTAINS FOR THE FUTURE

Introduction

All of the Fujairah Aviation Academy's (FAA) courses are approved by the UAE GCAA, and upon successful completion, result in the issue of a UAE licence. The UAE is a member of International Civil Aviation Organization (ICAO). Licences issued by the UAE are convertible to the licences of other ICAO states, subject to their civil aviation regulations.

Requirements for Course Enrolment:

A good basic standard of Math and Physics is required plus the ability to read, write understand and speak English to a high standard is a pre requisite. Students must be 17 years in order to fly solo. The minimum age to obtain a Private Pilot Licence is 18 years. The student must be medically fit, as determined by an Aviation Medical Examiner and have a security clearance. To obtain a security clearance the candidate must submit the following documents:

- A copy of passport copy (including residence visa page for expatriates)
- Four passport size photographs
- Duly filled security application form (available at the academy)
- Police Certificate from the country of origin. UAE residence visa holders (6 months or more) can obtain the certificate from the UAE police station.

Which aircraft does Fujairah Aviation Academy use for flying training?

Diamond DA40 / Cessna 172

Single engine for flight training

Diamond DA42

Multi engine aircraft for advanced training

Diamond DA40 / 42 FNPT Part 2

IFR Flight Simulator

All aircraft are fully equipped for IFR operations.

Why Fujairah for Flight Training?

The Fujairah International Airport is ideally located for flight training. Following are some of its advantages:

- Very little traffic - no waiting for taxi clearance, no holding or orbiting.
- Un-restricted takeoffs and landings.
- Training area is located only five minutes flight time after take off.
- Open seven days a week.
- Excellent weather throughout the year.
- Airfield is equipped with NDB/VOR/DME/ILS and Radar navigation facilities.
- Air Traffic Control, Met and Flight Briefing available 24 hours.
- Quiet environment is conducive to learning.
- Accommodation and food are inexpensive.
- Pleasure flights and sightseeing tours are available.
